Calhoun County is actively seeking veterans to serve as County Commissioners.

The commission of veteran affairs consists of three members, all of whom shall be veterans as defined in Iowa Code, Section 35.1 and when possible from different military actions. The commissions shall be gender balanced unless the county has made a good faith effort to appoint as defined in Iowa Code, Section 69.16A. Members shall be appointed by the board of supervisors, in consultation with the current commission members and the executive director, to staggered three-year terms. The commission meets monthly to determine who are entitled to county benefits and the probable amount required to be expended. Additionally, the commission prepares and certifies an estimated budget to the board of supervisors annually. Members shall receive \$50 for each month during which the member attends one or more commission meetings and shall be reimbursed for mileage at the approved county rate. We currently have one opening for an unexpired term ending in April of 2024.
